

MY DISCLAIMER TO ALL

My name is Kitty Wolfe. I am a real estate broker with Barker Realty in Santa Fe, New Mexico. I created my Park Plazas website as a community service and to market my listings. I am a resident, homeowner, investor and Realtor specializing in the neighborhood. **I do not represent Park Plazas Community Services Association (PPCSA) or have any affiliation with its Board of Directors.**

My recommendations for maximizing real estate equities are based on my consistent research and involvement for over 33 years. Anything I write about Park Plazas is from personal experience while living in our neighborhood. Everything I say about the monthly Board of Directors meetings is from my personal notes, written while attending, as a guest. I do not rely on my memory and report what I see and hear as factually and accurately as humanly possible. These functions have been an integral part of my real estate business and my community service for my geographical and personal spheres of influence for over 30 years.
